Everyday Lighting For Professionals

LED EMERGENCY EXIT BOX SIGNS

Low energy alternative to standard emergency exit signs

- Steel construction
- 3 hour maintained mode as standard which can also be configured for non maintained operation
- Facility for remote switching
- Diffuser on base: for added downward illumination of exit path
- Long life energy efficient LED light source eliminates lamp replacement cycle without compromising panel visibility distance
- Full range of alternative legend directional panels available
- LED charge light
- Battery test button (not on self test version)
- Viewing distance 32m
- 55 lumens in mains mode

Hole knockouts on each side of fitting
